4th Annual SEforALL Africa Workshop

Dear colleagues,

The SEforALL Africa Hub hosted by the African Development Bank in partnership with the African Union Commission, the NEPAD Agency, UNDP, the SADC Secretariat (representing the Regional Economic Communities) and in collaboration with the SEforALL Global Facilitation Team will organize the 4th Annual SEforALL Africa Workshop from 28-29 March 2016 in Abidjan.

The workshop will review the state of play of the advancement of SEforALL country action in Africa, discuss how to accelerate the implementation and financing of the priorities identified in the SEforALL Action Agendas and Investment Prospectuses under development in many African countries, and explore how to ensure a maximum degree of synergies with other key initiatives on the continent, including the Africa Renewable Energy initiative (AREI) and the New Deal on Energy for Africa. In this regard, we will be collaborating with the AREI Independent Delivery Unit (IDU) in the organization of the workshop. The workshop will bring together African institutions, SEforALL focal points, development partners active in Africa, private sector and civil society representatives.

Please save the date in your respective calendars. The workshop concept note, agenda and logistical details will follow shortly.

Best regards,
Daniel

Dr. Daniel-Alexander SCHROTH
SEforALL Africa Hub Coordinator
